Product Notice No: 0101

AudioCodes Releases Software Version 6.0

A. Notice Subject

AudioCodes has officially released Software Version 6.0. Version 6.0 is a general release, introducing new features and new product configurations.

B. Notice Date

July 12, 2010

C. Notice Details

AudioCodes has officially released version 6.0 on supported products. The 6.0 software release bundle (including Release Notes, User Manuals, and other documentation) is located on the Support page at http://www.audiocodes.com/downloads. In general, version 6.0 will replace version 5.8 on future production units. Upgrades to version 6.0 are available to customers for a fee and are free to registered customers, who have purchased AudioCodes' Enhanced Support package.
