Product Notice #0368

End-of-Life for Mediant™ MSBR Software Version 6.8

This Product Notice is a formal announcement by AudioCodes that Multi-Service Business Router (MSBR) Software Version 6.8 has reached End-of-Life (EOL) status.

No further scheduled maintenance releases or fixes are planned for this version. For major versions later than 6.8, AudioCodes will continue providing bug fixes and new features. Therefore, to benefit from these bug fixes and new features, Customers are encouraged to upgrade their MSBRs to Version 7.20A.252.078.

Effective Date

- End-of-Life (EOL): August 1, 2019
- End-of-Support (EOS): February 1, 2020
