

AudioCodes Bot API

Quick Setup Guide

This document provides a quick setup for the integration of the AudioCodes Phone Number Connector (PNC) and a bot instance created using the AudioCodes bot API.

Prerequisites

You need to create the bot instance that supports the AudioCodes Bot API. For more information, refer to the [Voice.AI Gateway API Reference Guide](#).

Signing up to PNC

- Using your web browser, go to <https://pnc.audiocodes.io>.
- Enter your details on the **Sign up** page.

- Click **Start your free trial**; the following appears and a confirmation email is sent to you.

4. Open the PNC confirmation email (it may be hidden in SPAM or filtered), and then click **Confirm Account**; you are directed to the following web page:

5. Click **CONFIRM MY ACCOUNT**; the Welcome to the AudioCodes Phone Number Connector page appears.

6. Click **Click To Log In**; the following appears:

7. Enter your email address and password, and then click **Log In**; the PNC wizard opens.

Using the PNC Wizard

1. In the navigation menu pane, select **Bots**, and then click **+** to create a new bot:

Note: If this is the first time that you are accessing the wizard, the Select Bot Framework wizard page appears when you log in.

The Select Bot Framework wizard page appears:

2. Select the **AudioCodes Bot API** bot framework, and then click **Next**; the Bot Details wizard page appears:

Bot framework
AudioCodes Bot API

Bot name
Bot 48

Bot URL
https://111.22.33.444444/api/bots/my-bot12345

Token
c04:ff6t:h7:9999-0102-0103-0405-uluiyttTYTGb-7f80

Validate bot configuration

Back Next Apply Bot & Close

3. Configure the bot settings:

- In the 'Bot name' field, enter the name of the bot.
- In the 'Bot URL' field, enter the bot URL protocol for creating new conversations as defined in the AudioCodes Bot API.
- (Optional) In the 'Token' field, enter the bot access token. Refer to the Security section in the AudioCodes Bot API document.

4. Click **Next**; the Attach Number wizard page appears:

1 Bot framework 2 Bot details 3 Attach number 4 Number settings

Buy a new number

Select Country

Buy number

Use existing number

Select existing number

Cancel Next

You can either buy a new phone number or use an existing number.

5. If you want to buy a new phone number, do the following:

a. Select the **Buy a new number** option; the following appears:

b. From the 'Select Country' drop-down list, select the country in which the phone number will be used, and then click **Next**; the following appears:

c. (Optional) Configure specific country settings:

- From the 'Search for a type' drop-down list, select the appropriate value.
- From the 'Search for a state' drop-down list, select the appropriate state.
- In the 'Enter city' field, enter the appropriate city.

Note: The City and State fields do not appear when other countries are selected.

- d. Click **Next**; the created number appears with a message that the phone number was created successfully.

Buy a new number

Select Country
Denmark

+4578745340
The phone number was created successfully.
Please wait a minute for the number to be active.

Use existing number

Select existing number

Back Next

- e. Click **Next**; the Number Settings wizard page appears:

Number: +4578745340

i The phone number was created successfully. Please wait a minute for the number to be active.

Number name	Barge-in Disabled
TTS speech service AC Azure	DTMF Disabled
STT speech service AC Azure	+1 Transfer call e.g. 111222333
Language en-US	
Voice name en-US-GuyNeural	

Save and Close

- f. Give your number a name, confirm or modify the fields, and then click **Save and Close**; the new bot appears listed on the Bots page.

6. If you have previously purchased a number and it is currently unassigned, you can re-assign the number to your bot.

AudioCodes Support

The AudioCodes team is here to help answer any questions you may have.

Please drop us an email at saas.support@audiocodes.com or join our public Slack channel at https://join.slack.com/t/audiocodes-hq/shared_invite/zt-go8vz8i8-YJyOCLe0h57DFAhLtQBdXQ.

We will be glad to reach back no later than the following business day.
