AudioCodes
RX-HDL200 AUDIO BAR

Loudspeaker

2 x 20W high-fidelity full range speakers

Microphones

10 low-noise omnidirectional MEMS microphones

Coverage

Medium rooms, up to 5.5 x 5.5 meters

Simple installation

Simple wall mounting requires no specialized tools or skills

The **RX-HDL200 Audio Bar** is an intelligent, front-of-room audio conferencing system with integrated microphones and speakers. It is especially designed to provide full-room pickup and rich, clear playback in medium-sized rooms, capturing every detail of a meeting. Powered by Nureva's patented Microphone Mist™ technology, the RX-HDL200 ensures that voices are picked up everywhere in the room. Constant auto-calibration means your audio is always optimized even in the most dynamic room setups.

- ✓ Easy plug-and-play, wall-mounted installation can be achieved in as little as 30 minutes with no specialized tools or skills required.

- ✓ Transforms hybrid meetings in medium-sized rooms into fully immersive experiences, offering meeting equity for all participants, whether in the room or remote.

- ✓ Seamless integration with AudioCodes RXV200 intelligent AV hub and RX series room devices.

- ✓ Available as part of AudioCodes bundles for medium rooms that include the RXV200 intelligent AV hub, RX-PAD touch room controller and AI-powered cameras.

AUDIOCODES RX-HDL200 AUDIO BAR

SPECIFICATIONS

Speakers	2 x 20 W 3.25" high-fidelity full range Frequency response: 125–20,000 Hz
Microphones	10 low-noise omnidirectional MEMS Frequency response at 94 dB SPL 100 Hz to 7 kHz Total harmonic distortion (THD) at 94 dB SPL: 0.25% (typical)
Connectivity	USB 2.0 interface to computer, type B Input jack for power supply
Power	Power rating: universal switching 100–240 V AC, 50–60 Hz Power consumption: <25 W
Management	Centralized management via AudioCodes Device Manager
Environmental	Operating temperature: 0º C to 40º C (32º F to 104º F) Storage temperature: -20º C to 70º C (-4º F to 158º F) Humidity 5–90% (noncondensing)
Dimensions (W x H x D)	117.9 x 12.2 x 3.6 cm
Weight	4.5 kg
System Includes:	Integrated microphone and speaker bar Wall mounting bracket Cable routing channel Country-specific power cable, 6› (2.5 m), black USB Type A-B cable, 10› (3 m), VW-1 rated, black Infrared remote with 2 AAA batteries Documentation

01/26 V.1
