Product Notice #0312

End-of-Life Announcement for SmartTAP™ AES and SmartTAP Digital Integrations

Dear Partners,

This Product Notice is a formal notification by AudioCodes that the SmartTAP™ and SmartTAP Digital Integrations have now reached End-of-Life (EOL) status effective from April 27, 2017.

SmartTAP will continue to be offered for other supported integrations (i.e. Microsoft Lync/Skype for Business, SIPRec etc.).

Product Migration or Replacement

SmartTAP can still be used for the EOL integration, by migrating to SIPRec integration

Affected Part Number

- 930-024D-001 - SmartTAP 24 Channel Digital Station PCI Express Card plus 15' cable
- Avaya AES Integration (use of 920-0001-0xx - SMARTTAP IP INTEGRATION SOFTWARE x1 or SMARTTAP TARGETED USER LICENSE for Avaya AES)
