

End of Product Sale (EOPS) for C455HD-DBW and C435HD Microsoft Teams-Native IP Phones

Product Notice #0592

AudioCodes hereby announces the End of Product Sale (EOPS) of the Microsoft Teams-native IP Phone models TEAMS-C455HD-DBW and TEAMS-C435HD-R.

AudioCodes will continue accepting orders through September 30, 2026, subject to product availability.

i Regarding C455HD-DBW: This EOPS announcement applies only to the C455HD-DBW configuration. The C455HD non-DBW models (TEAMS-C455HD and TEAMS-C455HDPS) remain part of AudioCodes portfolio as a cost-effective Microsoft Teams native desk phone option.

i AudioCodes will continue development for existing deployments of the affected IP Phones through the end of 2028, in alignment with Microsoft's Certified Teams-Native device program, followed by three years of controlled support thereafter.
