

Quick Guide

1. Introduction

This guide describes how to pair your AudioCodes RX-PAD Meeting Room Controller with your AudioCodes device for Microsoft Teams Rooms on Android (e.g., RXV81 and RXV200).

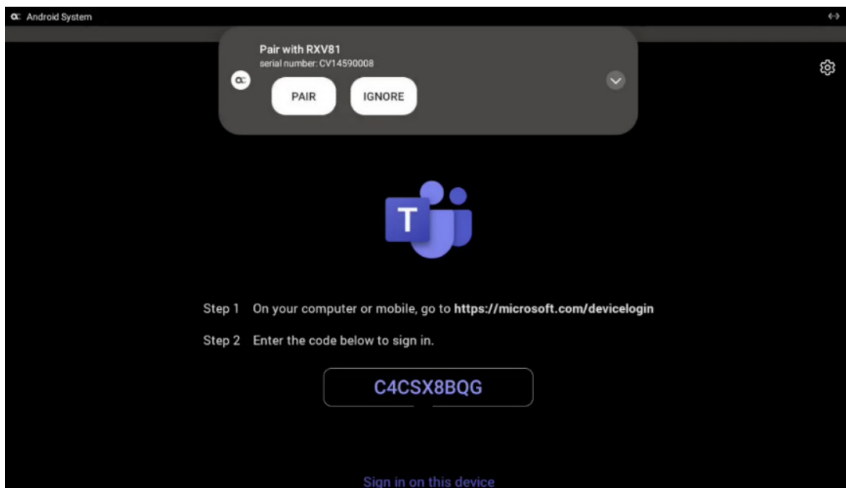

2. Pairing Prerequisites

- ✓ Make sure both devices are running the latest AudioCodes firmware version.
- ✓ Make sure both devices are connected to the same network (subnet).
- ✓ For Wi-Fi connectivity, you must use a power supply adapter (not supplied but can be ordered separately).
- ✓ Make sure that the distance between the pairing devices is close enough for uninterrupted Bluetooth connectivity.

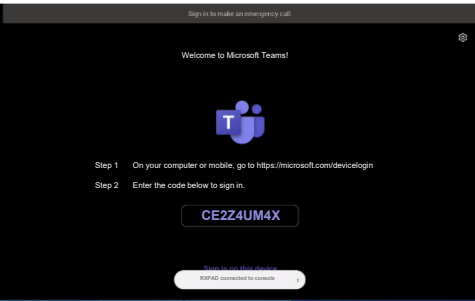

3. Pairing Procedure

The following procedure describes how to pair RX-PAD with a Teams Rooms on Android device.

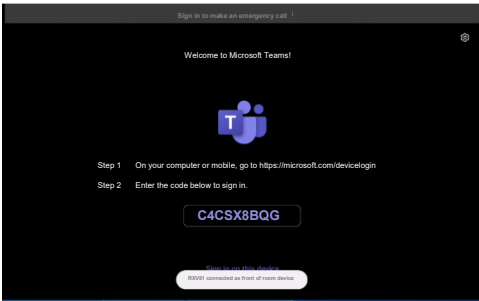

1. Connect the RX-PAD and Teams Rooms on Android device to the network; the pairing process automatically begins.

2. On the RX-PAD, click **PAIR** (see above figure) for the specific device (according to serial number) that you wish to pair with RX-PAD.
3. Once pairing is complete, the following message appears on the display of the RX-PAD and device:

Teams Rooms on Android Device

RX-PAD

4. Signing into Microsoft Teams Account

Starting from July 1, 2023, only users with the *Teams Rooms Basic* or *Teams Rooms Pro* licenses can sign into Meeting Teams Rooms devices. Absence of such a license will cause a sign-in failure.

The following procedure describes how to sign into your Microsoft account. You need to do this on both RX-PAD and the Teams Rooms on Android device.

1. Go to <https://microsoft.com/devicelogin>; the following appears:

The image shows a Microsoft login interface. At the top is the Microsoft logo. Below it, the text 'Enter code' is displayed. Underneath, it says 'Enter the code displayed on your app or device.' There is a text input field labeled 'Code' with a blue underline. At the bottom right, there is a blue button labeled 'Next'.

2. Enter the code that is displayed on the paired RX-PAD and Teams Rooms on Android device (e.g., "C4Y8MK2P3"), and then click **Next**.
3. Follow the on-screen instructions to sign into your Microsoft account, and then close your web browser.

When setup is complete (may take several minutes), the home page is displayed:
