

End-of-Sale

Mediant 4000B Base-SBC Configurations

Product Notice #0590

Effective July 1, 2026, the AudioCodes **Mediant 4000B** Session Border Controller (SBC) base-SBC configurations will officially reach its End-of-Sale (EOS) date.

Note: This EOS applies **only** to the Mediant 4000B base CPNs. The newly introduced Mediant 4000B with preinstalled MPM12B modules for transcoding remains available for order.

Following this date, these products will transition to the General Service (GS) stage, in accordance with AudioCodes' [Product Lifecycle Policy](#).

Life Cycle Milestones

Milestone	Date
End of Product Sale Notification	July 1, 2026
End of Product Sale and Last-Time Buy (LTB)	December 31, 2026
Last Time Shipment	February 1, 2027

Product Migration

The **Mediant 7500** SBC, which supports up to 10,000 sessions, is the replacement model for these EOS SBCs and fully supports the Mediant 4000B feature set, ensuring a smooth transition without compromising functionality.
